

"One of the best philosophy books I have ever read"

IN IT TOGETHER **ECKHART AURELIUS HUGHES**

The Beautiful Struggle Uniting Us All

This highly anticipated book is about realizing the uplifting and unifying power of love, of true conscious love.

Without preaching, it uses a friendly, kind, loving, and humorous tone to tie together philosophy, spirituality, and self-help with long-standing universal truths from all ages, regions, and times.

Over 1,000 people purchased this book before it was even written.

Available from all major retailers including [on Amazon](#) and [on B&N](#).

But please support local book stores by bringing in this flyer to buy locally.

- B Creech (5/5 stars)

"A thought-provoking, non-fiction book demonstrating how everyone is united..."

Tears the reader apart and puts them back together again to have a happier life."

- Bertha Jackson (5/5 stars)

Editorial Praise

"This is an amazing book."

"This book was a real eye-opener for me."

"This book has a profound message, and Scott breaks it down piece by piece."

"Every time I read the book, it feels like I'm reading it for the first time. I relate to different parts of the book during each reading."

"A must-read for those seeking inner peace."

"Digs deep into human nature and reveals to the reader some compelling truths."

"A combination of philosophy, self-help, and motivation that will leave you with a changed perspective."

"An excellent book about philosophy, especially philosophy on love. There's absolutely nothing I disliked about it."

"An enlightening book that challenges readers to focus on the positive force of love in their lives."

"The author's positive and encouraging attitude inspired me to accept myself with all of my flaws and move forward more positively. There was nothing that I disliked about the book."

"The author does a great job drawing physics, metaphysics, and philosophy together."

"I did not find any negative aspects in this book. Scott Hughes has made this book valuable to many readers by discussing such topics as self-discipline, self-hate, self-love, temptations, dieting, inner peace, unconditional love, marriage, divorce, evil, resentment, forgiveness, and karma, to name a few."

"A thought-provoking, non-fiction book demonstrating how everyone is united."

"It tears the reader apart and puts them back together again to have a happier life with more spiritual freedom."
